

InfoHub Quick Start Guide

Welcome to InfoHub!

InfoHub uses Forums, Threads, and Messages

Forum: A forum is a collection of threads revolving around a *general* topic of discussion or theme.

Thread: A thread is a listing of messages on a more *specific* topic of discussion, sorted by date/time.

Message: A message is simply a post in a thread, discussing that thread.

Note: You will need to Log In, before you can post or reply to any messages.

Getting Started:

- **Choose a Forum based on its topic.**

Symbol Legend

This forum allows you to browse, post, reply, edit, and delete messages

This forum only allows you to browse messages.
You will not be able to post, reply, edit, or delete messages

This forum requires a password to gain access

- **Within your chosen Forum, choose a thread**
 - If you want to start a new discussion about a topic, you would create a new thread. (Click on **New Thread**)
 - Edit your own threads if you made a mistake (Click on **Edit** next to the thread)
- **Within that Thread, you can:**
 - Browse the different messages
 - Post a message of your own (Click on **Post Message**)
 - Respond/Reply to a message (Click on **Reply**)
 - Respond/Reply to a message using the **Quote** button (This includes the contents of the message that you're replying to.)
 - Edit your messages if you made a mistake in the text (Click on **Edit**)
- **Use BBML tags to enhance your messages with Bold, Italics, Emoticons, etc.** (Click the **Help** link for the full Instruction Guide)

For a more descriptive and detailed overview of Forums, please click on the **Help** link
